 Beautiful and fully developed, this large executive bungalow is located on a super large lot with a stunning view of the evergreen valley below. There's a two bay attached garage, a large detached garage and a shed for extra storage. The beautiful circular driveway is fully paved and leads down to the garage at rear. The home boasts open concept, with a beautiful kitchen, huge walk in pantry and adjacent office. Three very spacious bedrooms are tucked away from the main living area. The basement is comprised of a large open concept recreation room, three piece bathroom, plus extra rooms to use as you please. This is a fabulous family home and going well below its value. Only minutes from major shopping, via new access road. All measurements, although believed to be correct, should to be confirmed by purchaser and purchasers agent.
